

## **DISTRICT 146 BAND PARENTS, INC.**

*"A not-for-profit group formed and aligned to support students learning music"*

June 2018

Dear Parents,

If you are interested in beginning to earn trip credits for the spring 2019 band trip, Shop with Scrip ecards can help you begin to earn some credits toward next year's trip, now! This fundraiser allows you to earn trip credits every time you purchase an e gift card. With this online program, you will be able to purchase ecards for your regular shopping trips to Jewel, Walmart, Target, etc. Starbucks and Panera are just two of many retailers that offer ScripNow ecards. Kohl's ScripNow allows you to pay your credit card bill while earning rebates. You pay face value for the ScripNow ecards and an immediate rebate, which will be applied to your child's trip account for 2019. Attached are the directions to setting up your Shop with Scrip account. Once you have an account, you need to enroll in PrestoPay. Once you have verified your bank account you can begin purchasing! MyScripWallet will allow you to use your ecards directly from your phone. You can also print the ecards, which comes in handy, if you are giving a gift. No more running to the store to purchase a gift card!

*Per the Band Parents By-Laws: When students are participating in a fundraiser for the purpose of subsidizing a trip, the first \$35.00 profit of any money raised during the school year will go into the general fund.*

Attached are the directions needed to get set up. If you have any questions please contact Amanda Godin at [dagodin@sbcglobal.net](mailto:dagodin@sbcglobal.net) or call/text 312-403-2786.

Sincerely,

District 146 Band Parents, Inc.
